INDEPENDENT AUDITORS' REPORT

Honorable Malise Prieto
St. Tammany Parish Clerk of Court
St. Tammany Parish, Louisiana

We have audited the accompanying general purpose financial statements of the St. Tammany Parish Clerk of Court as of June 30, 2001 and for the year then ended as listed in the table of contents. These financial statements are the responsibility of the management of the St. Tammany Parish Clerk of Court. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the St. Tammany Parish Clerk of Court as of June 30, 2001, and the results of its operations and changes in fund balance for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining statements and individual fund schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements. Such combining statements and individual fund schedules have been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, are fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued a report dated August 24, 2001 on our consideration of the St. Tammany Parish Clerk of Court's internal control over financial reporting and our tests of compliance with certain provisions of laws, regulations, contracts, and grants.

NOTES TO FINANCIAL STATEMENTS

June 30, 2001

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the St. Tammany Parish Clerk of Court have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the government's accounting policies are described below.

1. Reporting Entity

As provided by Article V, Section 28 of the Louisiana Constitution of 1974, the Clerk serves a four-year term as the ex-officio notary public, the recorder of conveyances and mortgages. The Clerk can appoint deputies with duties and powers provided by law, with the approval of the district judge.

For financial reporting purposes, the Clerk includes all funds, account groups, and activities that are within the oversight responsibility of the Clerk as an independently elected parish official. The Clerk is solely responsible for the operations of her office, which includes the hiring or retention of employees, authority over budgeting, and the receipt and disbursement of funds. Accordingly, the Clerk is fiscally independent and a separate reporting entity. Certain units of local government, over which the Clerk exercises no oversight responsibility, such as the Parish Council, Parish School Board, other independently elected parish officials, and municipalities within the Parish, are excluded from the accompanying financial statements. These units of government are considered separate reporting entities and issue financial statements separate from that of the Clerk.

2. Fund Accounting

The Clerk uses funds and account groups to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts. An account group, on the other hand, is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable, available financial resources.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Fund Accounting (continued)

The Clerk's fund types have been classified into two categories: governmental (General Fund) and fiduciary (Agency Funds). These funds are described as follows:

Governmental Fund Type

General Fund - The General Fund, as provided by Louisiana Revised Statute 13:781, is the principal fund of the Clerk of Court and accounts for the operations of the Clerk's office. The various fees and charges due to the Clerk's office are accounted for in this fund. General operating expenditures are paid from this fund.

Fiduciary Fund Type

Agency Funds - The Advance Deposit and Registry of Court agency funds account for assets held on behalf of outside parties, including other governments, or on behalf of other funds within the government. Agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations. The Advance Deposit Fund is used to account for advance deposits in suits filed by litigants. The Registry of Court Fund is used to account for funds held by order of the court until judgment is rendered by the judiciary.

3. Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. The governmental funds use the following practices in recording revenues and expenditures:

Revenues

General fund revenues such as recording, cancellations, certified copies, election, certificates, marriage licenses, criminal costs, court attendance fees, and interest revenue are recorded when they become measurable and available. Substantially all other revenues are recorded when received.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

3. Basis of Accounting (continued)

Expenditures

Generally, expenditures are recognized under the modified accrual basis of accounting when the related fund liability is incurred. Compensated absences are recognized as expenditures when leave is actually taken or when employees are paid for accrued leave upon termination. The cost of leave privileges not requiring current resources is recorded in the general long-term obligations account group.

4. Budget and Budgetary Accounting

Formal budget integration is employed as a management control device during the year for the General Fund. Budget amounts included in the accompanying financial statements include the original adopted budget and all subsequent amendments. The proposed budget for the 2001 fiscal year was made available for public inspection at the Clerk's office on May 26, 2000. The proposed budget, prepared on the modified accrual basis of accounting, was published in the official journal 20 days before the public hearing. The budget hearing was held at the Clerk's office on June 15, 2000. The budget is legally adopted and amended, as necessary, by the Clerk. All appropriations lapse at year end.

5. Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is not employed by the Clerk.

6. Cash, Cash Equivalents and Investments

Cash and cash equivalents include amounts in demand deposits, interest bearing demand deposits, and time deposits with original maturities of three months or less. Under state law, the Clerk of Court may deposit funds in demand deposits, interest bearing demand deposits, or time deposits with state banks organized under Louisiana law or any other state of the United States, or under the laws of the United States.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

6. Cash, Cash Equivalents and Investments - (Continued)

Under state law, the Clerk may invest in United States bonds, treasury notes, or certificates. These are classified as investments if their original maturities exceed 90 days. Investments are stated at cost which approximates market.

7. Short-Term Interfund Receivables/Payables

During the course of operations, numerous transactions occur between individual funds for services rendered. These receivables and payables are classified as "due from other funds" or "due to other funds" on the balance sheet.

8. Fixed Assets

Fixed assets are recorded as expenditures at the time purchased, and the related assets are capitalized (reported) in the general fixed assets account group. All purchased fixed assets are valued at cost where historical records are available and at estimated historical cost where no historical records exist. Donated fixed assets, if any, are valued at their estimated fair market value on the date received. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. No depreciation has been provided on general fixed assets.

9. Compensated Absences

Employees accrue vacation leave at the rate of 10 to 20 days per year, according to years of service with the Clerk's office. A maximum of 5 days of vacation leave can be carried forward to the succeeding year with written approval of supervisor or department head. Vacation leave in excess of the carry forward amount is forfeited. Employees accrue sick leave at a rate of 6 to 12 days per year, according to years of service with the Clerk's office. Employees are allowed to carry forward a maximum of 30 days of unused sick leave from year to year. Upon termination, or at retirement, employees are paid for unused sick leave at the discretion of the Clerk. At retirement, employees are paid for all accrued vacation leave.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

9. Compensated Absences - (Continued)

Vested or accumulated vacation leave that is expected to be liquidated with expendable available financial resources is to be reported as an expenditure and a fund liability of the General Fund. Amounts of vested or accumulated vacation leave that are not expected to be liquidated with expendable available financial resources are to be reported in the general long-term obligation account group.

10. Long-Term Obligations

Long-term obligations expected to be financed from the General Fund are reported in the general long-term obligations account group. Expenditures for principal and interest payments for long-term obligations are recognized in the General Fund when due.

11. Total Column on Balance Sheet

The total column on the general purpose financial statements is captioned "Memorandum Only" to indicate that the amounts are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation.

NOTE B - CASH, CASH EQUIVALENTS, AND INVESTMENTS

At June 30, 2001, the Clerk of Court has cash and cash equivalents (book balances) totaling \$3,498,026

	<u>Book</u>	<u>Bank</u>
Petty cash	\$ 450	\$ 450
Interest-bearing demand deposits	<u>3,497,576</u>	<u>4,360,482</u>
Total	<u>\$ 3,498,026</u>	<u>\$ 4,360,932</u>

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the bank.

Investments at June 30, 2001 consist of certificates of deposit totaling \$4,070,000.

St. Tammany Parish Clerk of Court
St. Tammany Parish, Louisiana

NOTES TO FINANCIAL STATEMENTS

June 30, 2001

NOTE B - CASH, CASH EQUIVALENTS, AND INVESTMENTS - (Continued)

These securities are held in the name of the pledging bank in a holding or custodial bank that is mutually acceptable to both parties. At June 30, 2001, the Clerk has \$8,998,885 in deposits (collected bank balances) which includes investments in certificates of deposits of \$4,070,000. These deposits are secured from risk by \$658,367 of federal deposit insurance and \$8,340,518 of pledged securities held by the custodial bank in the name of the bank (GASB Category 3).

Even though the pledged securities are considered uncollateralized (Category 3) under the provisions of GASB Statement 3, Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Clerk of Court that the bank has failed to pay deposited funds upon demand.

NOTE C - RECEIVABLES

The receivables of \$120,726 at June 30, 2001 consisted of the following:

Criminal costs	\$ 30,070
Advance deposits	62,215
Court attendance	1,175
Recordation	25,346
Miscellaneous	<u>1,920</u>
	<u>\$ 120,726</u>

The Clerk considers all receivables to be collectible; therefore, no allowance has been established for doubtful accounts.

NOTE D - FIXED ASSETS

The following is a summary of changes in the general fixed asset account group during the fiscal year:

	Balance June 30, 2000	Additions	Reductions	Balance June 30, 2001
Office equipment and furniture	\$1,737,196	\$ 133,811	\$ 14,002	\$1,857,005

Total	<u>\$2,098,251</u>	<u>\$ 133,811</u>	<u>\$ 14,002</u>	<u>\$2,218,060</u>

Total capital outlays reflected in the accompanying financial statements for the General Fund totaled \$178,731. This amount is different from total additions of \$133,811 due to items purchased below \$250 which is the Clerk's cutoff for capitalizing assets and for other non-capitalizable items.

NOTE E - LEASES

The Clerk is obligated under certain leases accounted for as operating leases. Operating leases do not give rise to property rights or lease obligations, and therefore the results of the lease agreements are not reflected in the Clerk's account groups. Rent payments of \$129,286 were made during the year ended June 30, 2001. The following is a schedule of future minimum rental payments:

<u>Year Ending June 30</u>	<u>Buildings</u>	<u>Copiers</u>	<u>Total</u>

NOTE F - COMPENSATED ABSENCES

At June 30, 2001, employees of the Clerk of Court have accumulated and vested \$107,723 of employee leave benefits. This amount is recorded within the general long-term debt account group.

NOTE G - CHANGES IN LONG-TERM OBLIGATIONS

The following is a summary of the changes in general long-term obligations for the year ended June 30, 2001:

	Balance June 30, <u>2000</u>	Additions (Reductions)	Balance June 30, <u>2001</u>
Compensated absences	<u>\$ 120,762</u>	<u>\$ (13,039)</u>	<u>\$107,723</u>

NOTE H - RISK MANAGEMENT

The Clerk of Court is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Clerk, along with other Clerks of Court in the State of Louisiana, formed the Clerks of Court Self-Insurance Association Fund (CSIAF). It is a public entity risk pool currently operating as a common risk management and insurance program for 36 member Clerks of Court. The Clerks pay an annual premium to CSIAF for their general insurance coverage. The Articles of Association of the CSIAF provides that CSIAF will be self-sustaining through member premiums. The CSIAF pays claims, in excess of the Clerk's deductible of \$7,500, up to a maximum limit of 1,000,000 for each insured event. During the year ended June 30, 2001, no claims were made against the St. Tammany Parish Clerk of Court for risks covered by the CSIAF.

NOTE I - PENSION PLAN

Plan Description. Substantially all employees of the Clerk's office are members of the Clerks of Court Retirement and Relief Fund ("System"), a cost-sharing, multiple-employer defined benefit pension plan administered by a separate board of trustees.

All regular employees who are under the age of 60 at the time of original employment are required to participate in the System. Employees who retire at or after age 55 with at least 12 years of credited service are entitled to a retirement benefit, payable monthly for life, equal to 3 percent of their final-average salary for each year of credited service, not to exceed 100 percent of their final-average salary. Final-average salary is the employee's average salary over the 36 consecutive or joined months that produce the highest average. Employees who terminate with at least 12 years of service and do not withdraw their employee contributions may retire at or after age 55 and receive the benefit accrued to their date of termination. The System also provides death and disability benefits. Benefits are established and amended by state statute.

The System issues an annual publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained by writing to the Louisiana Clerks of Court Retirement and Relief Fund, 11745 Bricksome Avenue, Suite B1, Baton Rouge, Louisiana 70816, or by calling (504) 293-1162.

Funding Policy. Plan members are required by state statute to contribute 8.25 percent of their annual covered salary and the St. Tammany Parish Clerk of Court is required to contribute at an actuarially determined rate. The current rate is 10 percent of annual covered payroll. Contributions to the System also include one-fourth of one percent of the taxes shown to be collectible by the tax rolls of each parish. The contribution requirements of plan members and the St. Tammany Parish Clerk of Court are established and may be amended by state statute. As provided by Louisiana Revised Statute 11:103, the employer contributions are determined by actuarial valuation and are subject to change each year based on the results of the valuation for the prior fiscal year. The St. Tammany Parish Clerk of Court's contributions to the System for the years ending June 30, 2001, 2000, and 1999 were \$291,230, \$287,082, and \$256,285, respectively, equal to the required contributions for each year.

NOTE J - POST EMPLOYMENT BENEFITS

In addition to the pension benefits described in Note I, the Clerk provides post employment health care and life insurance benefits to all employees who retire from the Clerk under the same restrictions as in the above note. As of June 30, 2001, there were 16 retired employees participating in the post employment health care and life plan.

St. Tammany Parish Clerk of Court
St. Tammany Parish, Louisiana

NOTES TO FINANCIAL STATEMENTS

June 30, 2001

NOTE J - POST EMPLOYMENT BENEFITS - (Continued)

The benefits for the covered employees are provided through an insurance company whose monthly premiums are paid jointly by the employee/retiree and by the Clerk. The cost of providing these benefits for the retirees is separable from the cost of providing benefits for active employees and are recorded on a pay-as-you-go basis (cash basis). The Clerk's portion of the total premiums for the fiscal year ended June 30, 2001 aggregated \$485,530. For the year ended June 30, 2001, the cost of retiree benefits included in total paid premiums was \$27,955.

NOTE K - DEFERRED COMPENSATION PLAN

The Clerk offers her employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan, available to all employees, permits them to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death, or an unforeseeable emergency. All amounts of compensation deferred under the plan, all property and rights purchased with those amounts, and all income attributable to those amounts, property, or rights are (until paid or made available to the employee or beneficiary) solely the property and rights of the Clerk (without being restricted to the provisions of benefits under the plan), subject only to the claims of the Clerk's general creditors. Participants' rights under the plan are equal to those of general creditors of the Clerk in an amount equal to the fair market value of the deferred account for each participant.

It is the opinion of the Clerk's legal counsel that the Clerk has no liability for losses under the plan but does have the duty of due care that would be required of an ordinary prudent investor. The Clerk believes that it is unlikely that it will use the assets to satisfy the claims of general creditors in the future. Accordingly, the plan assets and related liabilities have not been included herein.

Investments are managed by the Plan's administrator (The Great West Life Assurance Company). The choice of the investment option(s) are made by the Plan participants.

NOTE L - CONTINGENT LIABILITIES

From time to time, the Clerk is involved as a defendant in actual or threatened litigation which is not covered by insurance. At June 30, 2001, there were no pending or threatened claims which, in the opinion of the Clerk's legal advisors, would have a material adverse affect on the financial statements, should such claims be settled in favor of the plaintiffs.

NOTE M - EXPENDITURES OF THE CLERK OF COURT REQUIRED TO BE PAID BY THE
PARISH COUNCIL

Louisiana R.S. 13:784 requires the Police Jury to provide the Clerk with all necessary office furniture, equipment, and record books. During the year ended June 30, 2001, as well as for several years prior thereto, items provided by the Police Jury have been limited to certain office and storage space and utilities.

In the accompanying financial statements, the value of materials, supplies, and services provided by the Police Jury are not reflected. In addition, no recognition has been given for the amount, if any, which may be recoverable for mandated items not provided.

NOTE N - EXCESS FUND BALANCE

Louisiana Revised Statute 13:785 requires that every four years, at the close of the term of office, the Clerk of Court must pay the Parish Treasurer the portion of the General Fund's fund balance that exceeds one-half of the general fund revenues for the Clerk's last year of office, while amount shall be limited to the total funds provided the Clerk by the Parish during said term of office. At June 30, 2001, there would be no amount due the Parish Treasurer because the General Fund's fund balance does not exceed one-half of the revenues of the Clerk of Court.

NOTE O - CLERK'S COMPENSATION

The Clerk's compensation for the year ended June 30, 2001, as established by law for salary, statutory allowance, and custodian of voting machines was \$88,400, \$8,840, and \$2,400, respectively.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable Malise Prieto
St. Tammany Parish Clerk of Court
St. Tammany Parish, Louisiana

We have audited the financial statements of the St. Tammany Parish Clerk of Court, as of and for the year ended June 30, 2001 and have issued our report thereon dated August 24, 2001. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the St. Tammany Parish Clerk of Court's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our test disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control over Financial Reporting

In planning and performing our audit, we considered St. Tammany Parish Clerk of Court's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weakness. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.
